EU2009.CZ

Jointly organised by:

*Forum e|Government / OCG-Austrian Computer Society, Vienna (AT) and EPMA /
Vysocina Region (CZ) with Vienna Core group (EU), Judicial Academy (CZ), Respekt
Institute (CZ)*

The annual Eastern European e|Gov Days provide a solid platform for exchange of creative ideas and inspiring technology transfer between Western and Eastern European countries. The 7th Eastern European e|Gov Days will take place in Prague as the event, supplementing the Czech presidency of the EU.

The conference place, Brevnov Monastery, www.brevnov.cz, is the Benedictines complex, existing from 993, and providing a unique atmosphere of old times combined with modern technology advantages (free wi-fi available).

The general schedule:

April 22 - Independent workshops (EPMA may provide organizational support on demand)

April 23 – Conference Opening, plenary panels, thematic sessions, Conference Gala dinner.

April 24 – Plenary panels and thematic sessions
